Presented by Northern Trust

Partnership Opportunities

Show your commitment to our mission to transform Arizona through leadership and meaningful philanthropy by becoming an event partner!

Transform Arizona is Arizona Grantmakers Forum's signature event that brings together Arizona's philanthropic, nonprofit, business and civic leaders for an inspiring experience of learning and community building. Partnering with Arizona Grantmakers is a powerful way to support your community and a sound investment for your organization. With your partnership, we can continue delivering high-quality, educational programs and impactful collaboration opportunities that empower our members as they support communities across the state.
